# Events at O'Keefe Ranch

Every year Historic O'Keefe Ranch holds a number of different events. Some of these events are once a month, while others are once a week in July and August.

The Cowboy Dinner show is a great, once a week event held every Friday night in July and August. This event gives you the true feel of what it is like to be a Cowboy.

The other events that happen once a month, such as Family Fun Days are a great day out with the family. These days are packed with lots of fun and exciting activities happening on the Ranch for all ages. On Mothers Day and Fathers Day we like to celebrate all of the hard working mothers and fathers by letting them in for free when accompanied by their children. Just like Family Fun Days, these days are packed with tons of fun activities for all ages.

We also have a Summer Time Corn Maze that gets opened in early July for everyone to enjoy. For the Family Days in the Corn in October, we have a different maze that gets opened for everyone to enjoy.
